

What do you see?

Did a stainless steel structure, artwork, or detail catch your eye during your holidays?

Behind every stainless steel facade, sculpture, or infrastructure lies a fascinating technical decision regarding its resistance, finish, or alloy.

If you come across an interesting application on your travels, share it with us: our technical team will analyze the photo to answer any questions you have

about the material, and we'll feature the most outstanding cases on our official channels.

How to participate?

1 Go to: <https://www.cedinox.es/es/publicaciones/stainless-the-city/> [/sites/cedinox/es/publicaciones/stainless-the-city/]

2 Click on “Submit” (o “Send”).

3 Attach your photo, include the location, and ask us your questions.

Put our technical team to the test and discover the secrets of the stainless steel around you this summer!
